

GUARDIAN ANGEL SOCIETY

According to Christian tradition, every one of us has a guardian angel, who stays at our side at every moment of our life.

In a similar way, the Duke Catholic Center's monthly donors truly are the Center's financial guardians! Monthly donors ensure the DCC stays strong in its finances so Duke Students always have a place on campus to grow their faith and get to know Jesus

Monthly giving is an easy, meaningful, and green way to make the future even brighter for Duke students.

SIMPLE

Visit catholic.duke.edu/give, choose your monthly gift amount, and select "recurring gift" under the gift type section.

Once your monthly gift is in place, you can make changes to it at any time.

EFFECTIVE

Monthly gifts can be budget-friendly and really add up! Recurring gifts are more efficient as they don't require solicitation letters or postage, so more of your giving goes to support Duke students' spiritual growth.

HELPS YOU STAY CONNECTED

As a member of the Guardian Angel Society, you will receive special email communications to help you stay more connected and a special gift as our way of saying, "Thank you!"
